

**Amit Srivastava**  
**Consultant Partner**  
**India**

Amit Srivastava is a seasoned consultant who partners with organisations to align strategy with implementation. As a business leader & entrepreneur, Amit has a unique combination of experience across Public Sector, MNCs and Start-Ups over the last 19 years across Asia & Africa. He leverages his diverse experience to understand business challenges of each client he works with. Based on these insights, he facilitates workshops tailored to business needs and outcomes.

Amit has designed & delivered learning solutions for various industry segments such as Banking and Finance, IT, Start Ups, Public Sector, FMCG, Education, Logistics and Manufacturing. He has delivered learning interventions in Strategy Implementation, Change Management, Designing KPIs, Balanced Scorecard, Key Account Management, Matrix Management, Collaborating Across Cultures and Leadership Development Programs for middle & senior management.

Prior to setting up his own business, Amit has successfully set up new businesses in emerging markets for leading Global MNCs GSK, Cargill Foods, Olam International & HPCL. In these roles he was also responsible for hiring, training and leading highly energised teams. In his stint as an entrepreneur, Amit has created businesses which combine emerging technology with cost effective delivery mechanisms to create value for its customers. He is the Co-Founder of QEF Travels & C2C.

As an author, Amit published his first book '**The Truth about Myths**' in April 2016. He is also an award-winning photographer and is featured regularly in leading travel magazines of India and South Asia

Amit is certified in Strategic Thinking from IIM, Ahmedabad & is an MBA from Symbiosis Institute of Business Management, Pune.
