

David Seow G.S.
Consultant Partner
Asia Pacific

David's passion in training & coaching and desire to ensure that participants are enriched from his experience has seen him delivering many training programmes in the last 20 years. Clients range from MNCs, Government Agencies to SMEs, working extensively in Asia with very positive results and feedback. He is able to operate with ease and fluidity across different cultures in the region. David's ability to speak and converse fluently in English, Mandarin, simple Malay and the Chinese dialects enables him to be highly adaptive and adept in transferring skills across cultures.

David's client portfolio includes the successful roll-out of international programmes for Cisco Systems, Ericsson, Immarsat, NetApp Inc, Oracle, Panasonic Asia, Pfizer Asia Pacific, Schneider Electric, and Tetra Pak.

He is also an Executive and Leadership Coach. His coaching experiences assist his coaching clients to create life-changing insights that dramatically improve their outlook on work, life and enhanced leadership skills. He is an International Coach Federation (ICF)-ACC Credentialed Coach, about to complete PCC credentialing. He is also certified in Coaching Mastery & Solution Focus Coaching.

David has worked across organisations and industries both locally and internationally, adding value to the various organisations' business processes. He has many years of working experiences in the data communication industry as well as experiences in sales & marketing of industrial & service products.

He has an EMBA from Helsinki and B. Commerce from Curtin University. He is a certified American Management Association (AMA) Trainer and qualified to administer Psychometric tools such as Herrmann Brain Dominance Instrument (HBDI); Hogan Assessment Systems; DiSC; Passion@Works; and Social Styles & Versatility.
